# The Daughters of Z

Based on the story by Rabbi Sandy Eisenberg Sasso  
Script by Georgeanna Smith Wade  
Musical Score by Stephanie G. Caress

"The Daughters of Z" is based on a short story of the same name from the book But God Remembered: Stories of Women from Creation to the Promised Land\* written by local Rabbi and writer Sandy Eisenberg Sasso. Sasso's story is inspired by the book of Numbers (chapter 27) from the Hebrew Bible. Sometime near the end of the Exodus, the 5 daughters of Z (Zelophehad) defy the law and convention of the day to petition for their father's inheritance and land. The story has been adapted for the stage by Indiana writer Georgeanna Smith and set to music by local composer Stephanie Caress.
