

Christian Church Foundation, Inc.

Gary W. Kidwell, President
1099 N. Meridian Street, Suite 700
P.O. Box 1986
Indianapolis, Indiana 46206-1986
(800) 668-8016

Since its creation in 1961, the Christian Church Foundation has been focused on the stewardship of accumulated resources. Our mission is to support and expand the ability of all Disciples ministries to worship, witness and serve. We do this by identifying and resourcing donors who desire to make a difference through planned gifts, and by assisting Disciples ministries to be good stewards of their gifts through sound policies and prudent investment services.

The Foundation's deployed staff model allows us to build strong relationships with Disciples ministries and the donors who support them. Development staff, with offices around the country, are complemented by our treasury services staff in Indianapolis. In 2015, the Foundation received new gifts and investment deposits totaling \$44.4 million. We ended 2015 with \$600 million in total assets.

Distributions from permanent funds, life-income gift terminations, and other and donor-advised gifts totaled \$9.5 million in 2015. These dollars helped to enhance and expand the services provided by a broad spectrum of ministries selected by their donors: congregations, regions, general ministries, higher-education and other recognized ministries. More than \$1 million went to Disciples Mission Fund, supporting the church's general mission funding system.

The mission the church gave us 55 years ago still drives us today. As the Foundation continues to achieve new milestones, we remain focused on that mission. We take care to insure that every initiative we undertake moves us toward fulfilling our calling to serve the church.

Permanent Funds & Life-Income Gifts

At the close of 2015, named permanent funds at the Foundation totaled \$146 million. Distributions from those permanent funds provided \$6.6 million in income to Disciples ministries during the year.

The number of donors creating legacy gifts through permanent funds at the Foundation continues to grow. In 2015, the Foundation received \$8.7 million in permanent fund gifts – including \$4.0 million from seven legacy congregations. By entrusting the Foundation to steward their legacy assets, these congregations will be able to continue sharing the Gospel long after their final gathering as a worshipping community.

Disciples also use the Foundation to establish charitable gift annuities and charitable remainder trusts. These life-income gifts will support Disciples ministries after first paying the donor or their designee income for life. The Foundation received \$0.6 million in life-income

gifts in 2015.

Ministry Partnerships

The core of the Foundation's ministry is our partnerships with congregations, regions, general ministries, institutions of higher education and other Disciples-related ministries. More than 700 of those ministries invest their long-term assets through the Foundation's Joint Investment Trust, allowing these mission-oriented ministries to focus on their core mission. We also work side-by-side with these ministries to develop planned giving mentors who are willing to share with others the joy they've found in putting their plans in place. For congregations and institutions that have participated in this "mentoring model" the change has been dramatic, with 30, 40 or more members putting gift plans in place that will provide a future stream of income for ministry.

Legacy Congregations

Closing congregations have found their Christian witness can continue by investing their remaining assets into a legacy fund at the Foundation. A total of 88 Disciples congregations have entrusted their assets to the Foundation using gift plans that will continue that congregation's witness. Working with regional ministries and in partnership with regions and Disciples Church Extension Fund, we can assist a congregation in most facets of terminating their ministry and establishing a plan that will continue to support the congregation's cherished ministries.

Joint Investment Trust/Investment Performance

Two-thirds of the assets held under management at the Foundation – \$398 million – are investments that are owned by other Disciples ministries. In 2015, these investors deposited an additional \$34.1 million to those accounts, well above our historic averages for new deposits. The income produced by these long-term investments is used in a multitude of ways: seed money for new ministries, facility needs, enhanced outreach efforts to benefit the communities they serve, and much, much more. These vital dollars allow these ministries and institutions to amplify their witness and outreach. The Foundation celebrates the ministry that is made possible through these investments.

The Foundation's JIT offers an investment solution for the church's long-term endowment assets. The JIT provides access to diversified investment portfolios that benefit from investment products that would be unavailable or cost prohibitive for any of us as single investors. We remain focused on the dual priority of providing funds for ministry while also growing the invested funds to keep pace with inflation.

2015 was a challenging year for all investors. Slowing global growth, declining commodity prices and volatile currencies all contributed to a worldwide market decline. For the first time since 2008, all of our funds posted negative returns. As the largest investor in the JIT, the Foundation knows the stress that accompanies these negative market cycles. Historically, what follows a negative cycle is longer-term outperformance. Our investment pools have a proven long-term track record of good returns. Since 2003, we have been consistently working to lower portfolio manager costs as well as the Foundation's own cost recovery charges.

These reductions, which enhance returns for all of our investors, are made possible by the partnership of all of the ministries that participate in the JIT.

Faith-Based Investing

As a faith-based investor, the Christian Church Foundation seeks justice by engaging with companies for responsible corporate behavior. We believe that working with company management is the most effective agent for systemic change. In partnership with other faith-based investors through the Interfaith Coalition for Corporate Responsibility (ICCR), the Foundation influences change by bringing a moral voice to the boardrooms of corporations. The Foundation has a seat at the Disciples Justice Table, and uses its influence as an investor to create change in corporate behavior on a wide range of issues, from human trafficking to water resources. As a participant in the Foundation's long-term investment program, Disciples ministries work together toward a better and more just world.

James P. Johnson Stewardship Award

The James P. Johnson Stewardship Award is presented to a Disciples congregation for outstanding work in stewardship, planned giving and support for outreach ministries. At the 2015 Columbus General Assembly, this honor was awarded to Washington Avenue Christian Church of Elyria, OH. Under the exemplary leadership of its senior minister, the Rev. Dr. Janet Long, this congregation demonstrates generosity! Since Rev. Long joined the church in 1985:

- The annual budget has nearly tripled from \$124,000 to more than \$353,000;
- The congregation is the largest supporter of Disciples Mission Fund in the Ohio region;
- On average, 13.7% of the congregation's annual budget supports outreach ministries, and 83.5% of the congregation's outreach budget is specifically given to Disciples outreach programs and ministries;
- The church's permanent funds invested at the Foundation have increased more than six-fold to \$1.36 million;
- From 1985-2015, the congregation raised more than \$2.2 million in capital and debt reduction campaigns.

Spradlin Named Treasurer Emeritus

In 2015, the Foundation's Board of Directors named Virginia G. Spradlin treasurer emeritus. Ginny, the Foundation's first full-time treasurer, developed an efficient and professional financial services team during her 14-year career here. Perfection was her goal. Ginny's attention to detail and professionalism were woven into the fabric of her Treasury Services staff. Her leadership was a critical component of the work that helped to create the Joint Investment Trust as an investment program available to all Disciples ministries. At the end of 2000, just months before her retirement in May 2001, the Foundation had grown to \$250.7 million in assets – an increase of nearly 2000% from 1982. In 1986, when she began full-time work at the Foundation, there were about 250 named permanent funds. When she retired, the Foundation was managing nearly 800 named permanent funds.

Retirement of W. Darwin Collins

As we enter 2016, we bid farewell to Vice President W. Darwin Collins as he retires from full-

time development work. We welcome Enrique Ocasio to his expanded role as the new vice president for our Great Lakes Zone, serving donors and congregations in Illinois, Indiana, Wisconsin, Ohio and the Northeastern Region. Darwin and Enrique will share work in Pennsylvania and West Virginia.

Thank you for your partnership and we look forward to helping you and your ministry bear more fruit for God's mission in the world.
