Required Minimum Distribution Waiver
Effective January 1, 2020, the CARES Act waives required minimum distributions ("RMDs") for defined contribution 403(b) plans (TDRA), governmental 457(b) plans, and IRAs for calendar year 2020. The waiver applies to RMDs required to be made in 2020 and to 2019 RMDs that are required to be made by April 1, 2020 (if not already made in 2019). For purposes of determining RMDs after 2020, an individual's required beginning date is determined without regard to this 2020 waiver.

In addition, the five-year distribution period that applies to certain beneficiaries will be determined without regard to calendar year 2020.

If an eligible rollover distribution paid in 2020 would have been an RMD for 2020 but for the waiver, the distribution is not subject to the direct rollover rules, 20% mandatory withholding requirement, or the 402(f) notice.

Pension Fund will issue instructions to all members regarding 2020 RMDs in the June 2020 letter.
